## Come and get your Flu Vaccine

North Road Medical has received the Government and Private Flu vaccines.

### Government Flu Vaccine

The government is supplying the quadrivalent vaccine for the 2016 Australian Influenza season. Free seasonal Flu vaccine is available for the following people:

- All people aged 65 years and over
- People aged 6 months and over with a chronic medical condition predisposing to Influenza.
- Pregnant women
- All Aboriginal and Torres Strait Islander children aged 6 months - 5 years
- All Aboriginal and Torres Strait Islander people aged 15 years and over

### Private Flu Vaccines

Since the quadrivalent vaccine is recommended for use by the Government for the 2016 Australian Influenza season, we will be providing the quadrivalent vaccine for our private vaccine. The cost of the private flu vaccine is \$30.00

### Flu vaccination for children

The Flu vaccine is recommended for all children aged 6 months and older. Please read the following link, **Should I give my kids the flu vaccine this year?** <http://blogs.rch.org.au/drmargie/2016/03/31/should-i-give-my-kids-the-flu-vaccine-this-year/>
